Share your story!!

Create an inspiring video about how hepatitis B (HBV) impacts your life with stories about:

- Your own experience living with HBV
- A family member living with hepatitis B or liver cancer
- Adopting a child with hepatitis B
- Mother-to-child transmission of HBV
- Stigma and discrimination living with HBV
- Preventing HBV through screening and vaccination

In order to attend the workshop, you MUST be:

- Willing to share your story to educate and build awareness for the community
- Able to attend all four days of the workshop
