## Believing in Science      Fighting Hepatitis B

### Hepatitis B Patient Education Group

The Hepatitis B Foundation established the free monthly Hepatitis B Patient Education Group in Philadelphia's Chinatown to improve awareness and knowledge in this at-risk community. The goal is to provide accurate information to ensure people seek appropriate testing and care. In addition, by providing an opportunity for people to meet, we hope to help reduce feelings of isolation and stigmatization individuals may experience with chronic hepatitis B.

**Date:** 3rd Tuesday of each month for 2009  
5/19, 6/16, 7/21, 8/18, 9/15, 10/20, 11/17 and 12/15
