

## FREE INFORMATION & REFERRALS

### **Where can I be tested and receive the hepatitis B vaccine?**

You can ask your family doctor, the local health department, or community health clinic to order the simple hepatitis B blood test. You can also start the vaccine series at this time.

If you need help finding a doctor or want more information, please call the HBV Information and Assistance HelpLine at **1-888-888-0981**. This is a free telephone call, which is part of a national community program sponsored by GlaxoSmithKline. All information is available in Vietnamese, English, Mandarin, Cantonese, Korean.

If you speak English, please contact the Hepatitis B Foundation by email at [info@hepb.org](mailto:info@hepb.org) or call us at 215-489-4900.
