

**CHARITY RUNNER PROGRAM
TCS NEW YORK CITY MARATHON
NOVEMBER 3, 2024**

The Hepatitis B Foundation is thrilled to be selected as an Official Charity Partner of the 2024 TCS New York City Marathon. Our team, **RUN 4 HEP B**, will be a part of this historic marathon on Sunday, November 3, 2024.

The TCS New York City Marathon, the largest marathon in the world, features a 26.2-mile course through all five boroughs of New York City—Manhattan, Brooklyn, Staten Island, Queens, and the Bronx. The participant field includes 50,000 runners—comprised of world-renowned professional athletes alongside a mix of competitive, recreational, and charity runners. Each year, on race day, more than one million spectators line NYC streets to cheer on the runners, while millions more watch the live broadcast.

As an Official Charity Partner, the Hepatitis B Foundation has been provided a limited number of entries for the 2024 marathon to be used exclusively for fundraising purposes. For charity runners, a minimum fundraising amount of \$3,650 is required for each **RUN 4 HEP B** team member and should be raised through individual fundraising efforts.

Benefits of joining our **RUN 4 HEP B** team:

- Guaranteed race entry for the 2024 TCS New York City Marathon
- A personalized fundraising page to collect online donations
- Fundraising support and guidance
- Team branded gear and more!

Note: there is a \$3,650 fundraising minimum to join RUN 4 HEP B. If you are interested in being considered, please complete the application below as soon as possible, and email to Run4HepB@hepb.org.

Already have guaranteed entry? You can still join us! Runners who have already secured entry via lottery or qualifying time can receive all the benefits mentioned above by fundraising on behalf of **RUN 4 HEP B**. Email us at Run4HepB@hepb.org for more information.

I will make every effort to raise a minimum of \$3,650 according to the following schedule:

\$1,500 raised by August 1, 2024, with an additional \$2,150 minimum raised by November 3, 2024.

I understand, however, if the minimum is not raised by November 30, 2024 my credit card may be charged to meet the balance due to reach the minimum fundraising requirement of \$3,650 (as my participation is contingent upon meeting the charity's fundraising commitment).

**Please note that in addition to the fundraising minimum, all charity runners are required to pay the event entry fees to the TCS New York City Marathon (\$255 for NYRR members and \$315 for non-members).

1. Why are you looking to join the Run4HepB team to run in the 2024 TCS NYC Marathon?

2. Do you have a special interest in the Hepatitis B Foundation?

3. Will you be running in honor or in memory of someone you know?

4. How did you hear about the Run4HepB Team?

5. Have you ever fund raised for a charity before? If yes, please describe how you completed your goal.

6. What is your personal fundraising goal? While the minimum requirement for team members is \$3,650, additional consideration is given to runners who are willing to make a larger fundraising commitment. (typically charity runners raise between \$5,000 - \$10,000)

7. What is your plan for reaching or surpassing this goal? Please tell us specific actions you plan to take. We will provide all the support we can, once we're aware of your plan.

8. Does your employer have a matching gift program? If so, do you plan to use matching gift funds to reach your fundraising minimum or to exceed your fundraising minimum?

9. What prior running/race experience do you have? How many half or full marathons have you completed?

Thank you for completing an application to join the Run4HepB team. Please email it to Run4HepB@gmail.com. Applications will be processed in order of receipt, and you will be notified of your status within two weeks.
